

## 2023-2024 Tuition and Payment Plans

The Cove School's academic year operates September through mid June. Annual tuition is based on the academic school year and can be paid monthly over 10. There is a 5% discount for annual payment, third and post dated monthly payments. We have taken into consideration that there are several Monday holiday closures, so these school closures as well as other holidays and breaks are reflected in our tuition schedule. Also, please note that there are no payment adjustments for vacation or sickness. Payment is due on the first of the month in advance if on the monthly payment plan. To change your child's schedule or withdraw from the school, we require a 30-day written notice. Check contract for details around withdrawal. Summer Camps and Summer Program are enrolled and billed separately.
